Hi Greg,

This is just a friendly reminder that during last week's call I thought I heard you say that you would be forwarding us the times and locations for the Wednesday and Thursday's meetings, as well as sending us the latest draft of the Deferral Agreement. We have not received anything as of yet.

Also, we briefed Marci, our acting state director, on the new MOU between BLM and NDEP and she wanted an extra day or two to review it more closely before giving us the green light to share with the tribes and EPA. We are hoping that she will accomplish this task today to keep the momentum going in the right direction.

One other thing, Ginny invited BLM to attend Wednesday's meeting, so at a minimum, Ralph and I will be there.

Thank you,

Dave Davis, Geologist
